DINING

Willows Lodge features the **Barking Frog**, one of the most highly regarded restaurants in the Northwest, as well as world-renowned The Herbfarm, Washington state's only five-star restaurant. Barking Frog is warm and welcoming and has received numerous awards for both its fresh, innovative food and extensive wine list. Chef Bobby Moore and his team excel in American regional cuisine with Pacific Northwest influences and infuse dishes with playful touches. The warm and bistro-like restaurant embodies the same rustic and refined feel of Willows Lodge.

FIRESIDE LOUNGE

The cozy Willows Lodge lobby bar, Fireside Lounge, is open daily beginning at 4 p.m. with an extensive list of local wines by the glass or bottle. Happy Hour is offered daily from 4 – 6 p.m., featuring half-priced specialty drinks and select Washington wines. During the sunny summer months in the Pacific Northwest, Fireside is transformed into a breezy indoor/outdoor space with a generous patio and ample outdoor seating.

SPA SERVICES

The intimate **Spa at Willows Lodge** features a steam room, outdoor hydro-therapy pool, relaxation room and six treatment rooms, including a Couple's Massage room. The Spa offers services such as massage, reflexology, facials, body treatments, and nail services.

AERIAL ADVENTURE PARK

The 45 foot high ropes course and zip-line park is available for groups and run by Adventura Consulting (www.adventuraplay.com). Programs deliver teambuilding skills that encourage improved communications for individuals and organizations.

BARKING FROG CATERING

In early 2013, Willows Lodge launched its food truck, Barking Frog Mobile Kitchen, bringing its gourmet eats to the streets. Affectionately nicknamed the **Road Toad**, the 22-foot BFMK serves primarily as a catering vehicle for special events, including wedding receptions, wine release parties, corporate functions, community and chef events, as well as festivals, summer picnics and outdoor concerts. Additionally, BFMK pops-up in traditional food truck locations around Seattle and the Eastside. Its rotating menu includes Barking Frog favorites, such as the legendary **Grand Marnier Prawns**, and many other items which lend themselves well to the mobile environment.
